

# Total Dilation Solutions

## Trusted Reliability

Over 40 years of delivering quality, value, and tailored support to help advance esophageal care.

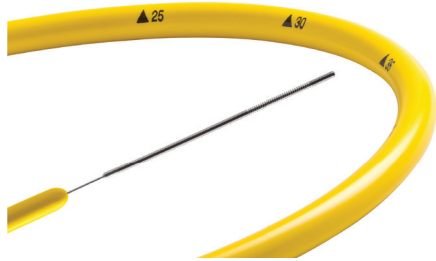

## Dilators & Storage

# Perform & Protect

Confidently perform esophageal dilations with reusable and disposable options, supported by innovative storage solutions to help deliver better outcomes for your patients.

### Viper® 3-Stage Balloon Dilator

Engineered to deliver superior radial force and uniform dilation with PET balloon technology in fixed and wire-guided options.

### SafeGuide® Single Over-the-Wire Esophageal Dilators

A disposable option that saves time and money with our signature flexibility.

### SafeGuide® Over-the-Wire Esophageal Dilators (Reusable)

Provides proven flexibility and tip integrity to ensure precise placement across repeated dilation procedures.

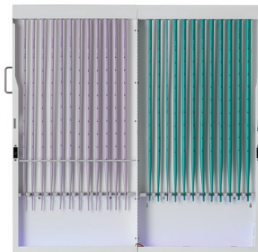

### M-Flex® Silicone Blue Bougie

Tungsten-filled with Maloney or Hurst tips to accommodate various clinical needs.

### Esophageal Dilator Storage

Innovative solutions keep dilators fully enclosed and free from contact with one another.
